Grant Request Guidelines

GUIDELINES

Mothers Trust Foundation provides immediate assistance during times of crisis to low-income children living in Lake County, Illinois. The Foundation's goal is to provide hope, build confidence, and make a positive difference in a young person's life. Mothers Trust Foundation does not exclude any assistance to individuals or families, deny benefits or any services based upon race, color, religion, gender or gender association, national origin, disability, marital status, or any other characteristics protected by law. Children over the age of 21 are not eligible for benefits, or families who do not have any children under the age of 22 living in the household.

Types of Support

The Foundation will consider:

- Clothing/shoes, eyeglasses, education-related expenses (NOT school supplies), summer activities, athletic assistance, music rentals, etc. and after-school or park district programs for enrichment opportunities and summer camp
 - Child safety needs such as car seats, cribs; psychological or medical emergencies; transportation.
 - Stable housing expenses including rent, utilities and security deposit assistance must be sustainable going forward. We are no longer assisting with mortgages. The family's monthly income must exceed their monthly housing expenses or there must be a plan in place going forward to prove future housing stability. **All housing requests must be submitted by a township or partner agency that has a thorough vetting process for the family's financial situation and who will be partnering in the request. MTF must be last-in with a maximum grant amount of \$1,000. We are no longer accepting stable housing requests from our school partners.**
 - Grants are not provided for food, diapers, wipes, formula, school supplies, personal hygiene items.
-
